JIANGSU YUNYI ELECTRIC CO.,LTD

COMPANY PROFILE

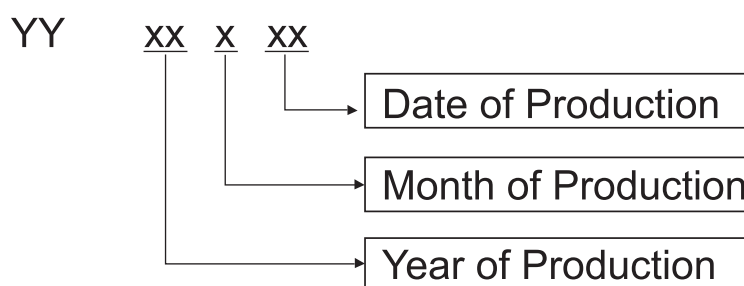

Jiangsu Yunyi Electric Co., Ltd is one of the most competitive China-head-quartered enterprises in automobile electric appliance sector. For many years, it has been devoted to research, design, produce and supply such products as automotive rectifier, regulator, diode, plastic parts and motor controller. The company is located at Tongshan New Area, Xuzhou China and takes up a covering area of 65000 square meters and a floor area of 45000 square meters.

Yunyi has got involved in new car markets and after-sale repair services both at home and abroad. The company insists the brief of 'regard technology as core' . It has established a perfect quality management and control system by following the guides of 'zero defect' , 'delicacy management' and 'lean production' . And it has qualified by TS16949 since 2006 and ISO14000 since 2009.

Yunyi has been committed to the guiding ideology of 'customers are the first: always listening, understanding and satisfying your demands' and has been trying to be a worldwide best supplier of automotive electronics products.
